Dear Fayetteville Patrons,

We want to thank you for your patience with our Fayetteville location. I would like to take this time to let you know how much we appreciate your support for us in Fayetteville. We are a small local family business and without your local support we would not exist.

We closed the Fayetteville location in Evelyn Hills because the lease was up and I wanted to find a more visible and community oriented location. After searching for many different potential spots we have decided to Re-open at the Fayetteville Square.

My family and I love Fayetteville and decided that, what better place to be operating, than the downtown square! Plus it is not far from our old location in the shopping center and they have added a parking area around back to make parking easier, more accessible and convenient.

I will send you the details of the opening date, a grand opening invitation, and begin to send your V.I.P Vouchers as soon as we get up and running.

Thanks again and hope to you see you all soon, we will be working hard to get open ASAP!!

Jose, Aida, and Araceli Oseguera
