FAYETTVILLE, AR - On Monday, August 31, at 3 p.m., Protect Fayetteville and local citizens filed a class action suit challenging the validity of the 5781 Ordinance. Story Law Firm contends that the ordinance is in violation of State Law and religious First Amendment freedoms, has a misleading ballot title, and was passed without due process. The plaintiffs believe that the city council has overstepped its authority, is recklessly spending tax payer funds and putting local businesses and the public at risk. When citizens made the extraordinary effort to repeal Chapter 119, the city council ignored the will of the people and passed Ordinance 5781- the same in substance as Chapter 119. We encourage all of the citizens of Fayetteville to unite and vote against Ordinance 5781 starting Tuesday through September 8th and send a strong message to city hall. The lawsuit, along with our votes, will not only help our city, but also our state and our future. A hearing has been set for Friday, September 4th at 9:00 AM at the Washington County Courthouse.
