Comments:

MEETING OF NOVEMBER 8, 2018

TO: Mayor and City Council
THRU: Terry Gulley, Director of Transportation
FROM: Jesse Beeks, Fleet Operations Superintendent
DATE: October 10, 2018
SUBJECT: **Purchase of one Paver for Transportation**

RECOMMENDATION:

A resolution to authorize the purchase of a Vogele America Super 1700-3I Paver from H&E Equipment Services of Springdale, AR in the amount of \$412,988.56, pursuant to the Sourcewell Contract, for the Transportation Department.

BACKGROUND:

Unit 9125 is a 2009 Vogele Paver with 13.2/15 points and it has exceeded its life expectancy. This unit is Transportation's only Paver for all of the City's streets.

DISCUSSION:

Fleet and Transportation have compared contract pricing for both Caterpillar and Vogele Pavers with the features required to continue performing paving jobs to the standards Fayetteville citizens are accustomed to. The lowest Sourcewell contract price and lowest life cycle cost was for a Vogele America Super 1700-3I Paver from H&E Equipment Services of Springdale, AR in the amount of \$412,988.56. This will be the best value for the City. With the current Paver, Vogele has shown outstanding service for the machine and training for the operators.

BUDGET/STAFF IMPACT:

Sufficient funds have been budgeted and collected for this purchase.

This item was approved by the Equipment Committee on October 9, 2018.
