

City Council Transportation Committee

Tuesday, January 14, 2020

5:30 pm

City Hall Room 111

Members: Matthew Petty; Sarah Marsh; Sarah Bunch; Kyle Smith

City Staff: Chris Brown, City Engineer; Terry Gulley, Transportation Director

1. **Old Business: None**

2. **New Business:**

A. ELECTION OF A CHAIRPERSON

B. TRANSPORTATION DIVISION WORKPLANS: Review of sidewalk and pavement management workplans by the Transportation Division. Lists of planned projects are attached. [Click here](#) for a map of the projects. **(Staff requests a recommendation from the Committee to the City Council on this item)**

C. STEAMBOAT DRIVE EXTENSION: Review of plans for the extension of Steamboat Drive. This project is a 2019 Bond Program Project, and is necessary due to changes in access to Wedington Drive that will be made as part of the Wedington Interchange Improvements by ArDOT. As part of that project, Steamboat Drive will be signalized, and the signal at Shiloh Drive will be removed and Shiloh Drive north of Wedington will be converted to right-in right-out only access.

The Steamboat Drive extension project will connect Shiloh and Steamboat, and provide better connectivity between businesses and safe access to Wedington Drive for the retail, restaurant, and hotel businesses in the area. It will also provide better connectivity between those businesses and the neighborhood to the north. **(Staff requests a recommendation from the Committee to the Administration on this item)**

3. **Adjourn**
