Comments:

MEETING OF MARCH 17TH, 2020

TO: Mayor and City Council

THRU: Terry Gulley, Director of Transportation

FROM: Sara Glenn, Fleet Operations Superintendent

DATE: March 3rd, 2020

SUBJECT: Purchase of two Dodge Ram 1500s

RECOMMENDATION:

City Council to approve the purchase of two Dodge Ram 1500s available for the combined State Contract price of \$43,268.00 through Lewis Ford of Fayetteville, AR.

BACKGROUND:

Unit 2123 is a 2008 Ford F150 with 14.4/15 points and has exceeded its life expectancy.

Unit 1218U is a 2010 Smart Car with 13.5/15 points and has exceeded its life expectancy.

The reason RTC would like to move this position to a truck is to haul set up items and materials for the various educational events around Fayetteville that they participate in. Currently, they have to borrow a truck which leaves the Division short on a truck and hinders the normal day-to-day operations. They also participate in many lake and creek clean ups that needs a truck to carry items for making the lake and creek clean ups successful.

A Dodge Ram 1500 Regular Cab is available for the State Contract price of \$20,333.00, and a Dodge Ram 1500 Quad Cab is available for the State Contract price of \$22,935.00; both through Lewis Ford of Fayetteville, AR.

DISCUSSION:

Fleet recommends the purchases of the Dodge Ram trucks available for the combined State Contract price of \$43,268.00 through Lewis Ford of Fayetteville, AR.

BUDGET/STAFF IMPACT:

Sufficient funds have been budgeted and collected for these units.

These purchases were approved at the February 11th Equipment Committee Meeting.
