MEETING OF MARCH 17, 2020

TO: Mayor and City Council
THRU: Terry Gulley, Director of Transportation
FROM: Sara Glenn, Fleet Operations Superintendent
DATE: February 26, 2020
SUBJECT: Bid Waiver for Shipley Motor Equipment Co. for Accident Repair

RECOMMENDATION:

An Ordinance to approve a bid waiver to Shipley Motor Equipment Co. for an accident repair in the amount \$42,352.81, due to a tear down, inspect and repair. Insurance funds have been received in the amount of \$41,352.81.

BACKGROUND:

Unit 4024, Recycling and Trash Collection's front load trash truck was out on a normal route. The operator looked in a side mirror and noticed smoke. At that time, he pulled into a large parking lot and pressed the emergency button in the vehicle, notifying the Fire Department.

The Fire Department put out a fire that was located between the cab and body of the truck. Upon first examination and estimation this damaged the wiring, hoses and engine components. However, since Shipley has started the repair other internal damage has been found. The additional cost should be paid straight from AML Insurance to Shipley.

DISCUSSION:

Purchasing and Fleet recommend the approval of a bid waiver to Shipley Motor Equipment Co. for an accident repair in the amount of \$42,352.81, due to a tear down, inspect and repair.

BUDGET/STAFF IMPACT:

Recycling and Trash Collection have sufficient funds to pay the \$1,000.00 deductible.
