SUBJECT: Pinnacle Ozone Solutions, LLC - Ozone Equipment Cleaning and Refurbishment for the Noland Water Resource Recovery Facility

RECOMMENDATION:

Staff recommends approval of a quote for cleaning and refurbishment services for the ozone disinfection system at the Noland Water Resource Recovery Facility from Pinnacle Ozone Solutions, LLC in the amount of \$39,300.00 plus applicable taxes.

BACKGROUND:

The Noland Water Resource Recovery Facility (WRRF) was upgraded from UV disinfection to ozone disinfection in 2014. The ozone disinfection system has several ozone generators that disinfect the wastewater as part of the treatment process.

DISCUSSION:

Pinnacle Ozone Solutions is the sole manufacturer and service provider for the brand of ozone generators (QuadBlock) that are installed at the Noland facility. They have submitted a quote for cleaning and refurbishment of the 12 ozone generators in the amount of \$39,300.00 plus taxes. The quote includes two trips to the facility to remove, refurbish, and reinstall the 12 ozone generators. Staff recommends approval of cleaning and refurbishment services to properly maintain the ozone disinfection system.

BUDGET/STAFF IMPACT:

Funds are available in the Plant Pumps and Equipment account within the Water & Sewer Fund.
