**MEETING OF JANUARY 5, 2021**

**TO:** Mayor and City Council  
**THRU:** Terry Gulley, Director of Transportation  
**FROM:** Sara Glenn, Fleet Operations Superintendent  
**DATE:** December 10, 2020  
**SUBJECT:** **Purchase of vehicles off the Arkansas State Contract**

---

**RECOMMENDATION:**

Council approves the purchase of a total of nine (9) vehicles for Arkansas State Contract pricing in the total amount of \$283,021.00 through Chevrolet of Fayetteville.

**BACKGROUND:**

Unit 2130 is a 2008 Chevy Express 15 Passenger Van that is in Fleet's rental pool. This unit is used for the YRCC's field trips, City Council's trips, transporting groups of employees to trainings or events and other activities. This van has exceeded its life expectancy and the manufacturer is no longer making some of the parts for the unit.

Unit 351 is a 2005 Chevy Silverado 3500 truck for Fleet road calls. The body and crane of this truck was replaced a couple years ago. However, the cab and chassis is now at 15/15 points and over its life expectancy.

Unit 1158 is a 2006 Honda Element that has 13.4/15 points. Unit 1311 is a 2013 Dodge Grand Caravan that was purchased used. Both vehicles have exceeded their life expectancy.

In the 2021 CIP an expansion unit was approved for the Police Department. In addition, several Patrol units are coming due for replacement. To ensure that the units are received and upfit in time, Fleet needs to order them as soon as possible.

**DISCUSSION:**

A Chevy Express 15 Passenger Van is available in the amount of \$30,393.00.

A Chevy Silverado ¾ ton 4x4 Extended cab and chassis is available in the amount of \$29,238.00.

Two Chevy Traverses, One AWD and one FWD, are both available in the amounts of \$25,845.00 and \$23,998.00 respectively, for a combined total of \$49,843.00. The All-Wheel Drive unit would go to the Planning department to be used when inspecting job sites or potential build areas. The Front-Wheel Drive unit will be used to replace the Dodge Caravan at FYV.

Five Chevy Tahoe's with Police Pursuit Packages are available in the amount of \$35,390.00 each, for a total of \$176,950.00.

All units are available through Chevrolet of Fayetteville, AR for a combined total of \$283,021.00 with Arkansas DFA Contract Pricing.

**BUDGET/STAFF IMPACT:**

Sufficient funds have been budgeted and collected for each individual purchase.

Each item was approved at the December 8<sup>th</sup>, 2020 Equipment Committee meeting.
