Hi Kit,  
This looks good but I had one oversight. Can you add another section about the City of Fayetteville and its partners will seek local, state, and federal partnerships and funding opportunities to assist in cleaning up Lake Fayetteville.

Thank you!

Hey Kit,  
I hope you haven't done any significant work on the resolution yet. I made a few additions and corrections. I know you are super busy but please let me know when you think you might complete your review on the resolution. I would like to get this resolution in the process line very soon.

Thanks and hope you're staying warm!
