

TO: City of Fayetteville City Council

FROM: Mary McGetrick, Long Range Planning Manger

MEETING DATE: April 6th, 2021

SUBJECT: **ADM 20-7000 Administrative Item (Amend Fayetteville Code of Ordinances: Short-term Residential Rentals):** Submitted by the Development Services Department for revisions to the Fayetteville Code of Ordinances for short-term residential rentals.

RECOMMENDATION:

Staff recommends forwarding the proposed code change to the City Council with a recommendation for approval.

RECOMMENDED MOTION:

"I move to approve ADM 20-7000 as recommend by City staff."

BACKGROUND:

The short-term rental code amendments were approved by Planning Commission in February 2019 and forwarded from the Ordinance review Sub-Committee to the full Council in March 2021. Staff presented a recommended code change along with alternatives. There were several members of the public at the Planning Commission, Council and Sub-Committee meetings and a variety of perspectives have been shared over the last year concerning how the City should handle short-term rentals.

A short-term rental (STR) is the leasing out of a furnished residential dwelling on a short-term basis, generally less than a month. It is estimated that there are approximately 500-600 STR units in Fayetteville. However, Fayetteville's codes do not have specific rules for STRs and they are classified as hotels/motels in the zoning code. This prevents them from legally operating in a single-family district and there are numerous STRs currently in violation. In July 2019 the City Council adopted Resolution 172-19 directing staff to study and develop an ordinance for STRs for their consideration.

The recommended code amendments in this report have been revised to incorporate the legal recommendations from the City Attorney's office and the Ordinance Review Sub-committee of Council. The primary revisions from the City Attorney's office included relocating many of the short-term rental requirements from Chapter 163 into Chapter 118, Business Licenses, changing enforcement staff to the Development Services Director, replacing "shalls" in certain places with "mays", and clarifying what is required for building inspection. The primary revisions, as shown highlighted in green in the attached amended ordinance, from the Sub- committee include an insurance rider requirement, a change in occupancy allowances and the addition of a sunset clause.

Public Input: As the first step in studying STRs, the City hosted a focus group on August 19, 2019. The focus group represented various perspectives including neighborhood representatives, concerned citizens, rental owners and managers, and hotel owners. The group was guided by a professional facilitator to identify key issues and recommendations in moving forward with local rules for STRs. On September 30, 2019, the city hosted an open public input meeting which allowed all attendees to provide input in writing and verbally on the issues identified by the focus group. The city staff continued to take comment from the public and elected officials over the last few months. After reviewing the public comment and completing extensive research on many cities' short-term rental codes, the City's consultant on the project, Garver LLC, completed a first draft of revisions to the Fayetteville Code of Ordinance for STRs. This first draft was presented to the same focus group on January 15, 2020 for their review and comment. Staff presented the final draft ordinance to the focus group on November 5th, 2020

DISCUSSION:

The Development Services Department and their consultant, Garver LLC, have drafted amendments to the Fayetteville Code of Ordinances for short-term residential rentals. The primary issues proposed in the previous revisions include the following:

- **Location:** STRs would be allowed by right in all zoning districts where residential dwellings and hotel/motel uses are allowed.
- **Type 1 and Type 2 STRs:** There are two types of STRs. Type 1 is a full-time residence and Type 2 is a full-time STR. Type 1's are not subject to density limitations, Type 2's are subject to density limitations.
- **Occupancy:** Maximum of 2 people per bedroom plus 2, ~~with a maximum of 8 people regardless of the number of bedrooms.~~ A definition of bedroom is included.
- **Permit:** a business license must be obtained prior to operation.
- **Inspection:** prior to approval of a business license the rental unit must pass a safety and egress inspection conducted by the Fayetteville Building Safety Division. A life safety and egress inspection will verify the basic life safety requirements like fire alarms and basic egress requirements like a door. The requirement for an inspection every three years has been removed; an inspection is only required for the initial license.
- **Grace period:** 6 months for existing STRs to obtain inspection and business license. After the enactment of the short-term rental ordinance, existing short-term rental operators may temporarily continue to operate and shall have up to six months to obtain a business license and be considered in compliance. After the six month start-up period, all short-term rental units must have a business license to operate and be considered in compliance. To qualify for this exemption from having to petition the Planning Commission to obtain an individualized conditional use permit as a pre-existing short-term rental, satisfactory proof of operation within the last three years and prior to the enactment date must be provided to the City such as a copy of an advertisement listing the unit and a copy of a transaction documenting that the unit was utilized as a short-term rental within the applicable time period. Short-term rentals must also successfully pass an inspection as described in §118.01 (E)(9)(e) of the Unified Development Code to the City's satisfaction.

Type 1 and 2 short-term rentals seeking a business license or permit under the 6-month start-up period which are currently operating in 2, 3 and 4 unit buildings in which more than 1 unit is being used as a short-term rental may obtain a business license for all currently operating short-term rentals.

All Type 2 short-term rentals submitting an application for a business license or permit after the six month grace period has expired shall be required to obtain an individualized conditional use permit from the Planning Commission and pass the City's premises inspection prior to the City being able to issue a business license.

- **Special events:** No parties or special events allowed in STRs by right.
- **Parking:** Parking is limited to the maximum number of vehicles as allowed by the underlying zoning district for the residential building on the property.
- **Density limitations:** Density limitations only apply to Type 2 STRs. A city-wide density cap of two percent (2%) of all dwelling units in the Fayetteville city limits may be utilized as Type 2 rentals. Total dwelling units are determined from current United States Census Bureau and/or American Community Survey numbers, whichever number is higher. A conditional use permit may not permit the following:
 - More Type 2 short-term rentals than what is allowed by the city-wide density cap.
 - More than ten (10) percent or a single unit whichever is greater; of total dwelling units as Type 2 rentals within a multi-family dwelling complex.
 - Individual 2-family, 3 and 4-family buildings that are owned by the same person or entity are not a part of a multi-family complex shall have no more than one (1) Type 2 short term rental unit per building complex.
 - Type 2 short-term rentals in commercial and mixed-use zoning districts where hotel/motel are permitted by right shall not count towards the city-wide density cap.
 - Short-term rentals may be permitted in all zoning districts where hotel/motel uses are permitted by right and shall not count towards the Type 2 short-term rental density cap in these districts except in multi-family buildings as specified in Chapter
- **Fees:** STRs would only be subject to the typical business license and occupancy inspection fees.
- **Exceptions:** Exceptions to the short-term rental code are subject to review as a conditional use permit.

Request: Staff requests that the City Council amend chapter 118 of the Business Regulations and chapters 151, 161, 162, and 163 of the Unified Development Code for short-term rentals. The code changes are described above and shown in the attached strikeout-highlight version of the code.

STAFF RECOMMENDATION:

Staff recommends that the City Council approve the code changes as outlined above and in the attached ordinance.

MINUTES
Ordinance Review Commission Meeting
Wednesday, March 17, 2021

1. Chairman Sloan Scroggin called the meeting to order at 5:30 P.M. with himself and Holly Hertzberg present by Zoom.
2. Mary McGetrick began to explain the current status with amendments of the Short-term Rental Ordinance as presented at the last Ordinance Review Committee Meeting. Committee Member Matthew Petty soon joined the meeting.

Mary discussed some additional potential changes for the Ordinance Review Committee's consideration including a Sunset Clause so the ordinance could be reviewed and safely changed in the future if experience with the ordinance revealed problems or issues.

3. Chairman Scroggin allowed the two members of the public attending by Zoom to speak.
4. Chairman Scroggin then asked City Attorney Kit Williams to discuss his proposal. Kit apologized for submitting anything at this late time. His proposal would allow residential short-term rentals which would follow the same rules as normal rentals to operate without needing any new permits. Operators of short-term rentals that desired 8 or more occupants would be deemed Micro-Hotels and could operate in commercial or mixed-use districts without conditional uses. Kit wanted to recognize those as businesses rather than residential rentals and include them in Use Unit 12a Limited Business which would require a conditional use like all

the other listed businesses to operate in a single-family residential district. Kit opposed treating short-term operators who had been violating City law better (giving them automatic conditional use permits) than property owners who had not broken the law.

5. The members of the Ordinance Review Committee approved the Short-term Rental Ordinance presented by Mary including the automatic conditional use permits for owners already operating short-term rentals for a substantial period of time. All short-term rentals (both #1 and #2) would receive occupancy limits of two persons per bedroom, plus two additional persons. No cap of 8 or 10 occupants would be enacted. A sunset clause for about 14 months after the six month initial period when current short-term operators were supposed to get safety inspections performed by the city accomplished was approved. The Committee wanted to add a requirement that operators have a rider to their homeowner's insurance policy for the short-term rental.
6. The Ordinance Review Committee unanimously recommended that the City Council pass the Short-term Rental Ordinance as amended. Mary will send out the revised ordinance to the members of the Ordinance Review Committee to ensure they are satisfied with her drafting including the new provisions.
7. The Committee adjourned around 7:30 P.M.

City Attorney Kit Williams
