

Mount Sequoyah is seeking qualified candidates for the position of Sous Chef for the organization's culinary team. The culinary staff at Mount Sequoyah is responsible for serving a variety of meals to Mount Sequoyah guests as well as coordinating special events, cooking classes, and more.

- Preparing meals and food to meet the specifications of guests in a timely manner
- Properly measuring kitchen ingredients and food portions
- Ensuring kitchen staff adhere to set standards, procedures, health department rules and sanitation requirements
- Assist Executive Chef in menu and meal planning
- Using kitchen knives and equipment such as grills, ovens, steamers and warmers in food preparation
- Managing the kitchen inventory and ensuring supplies are fresh and of high quality
- Ensuring proper food temperatures when cooking and proper storage afterward
- Keeping the workstation and kitchen equipment clean, organized and sanitized
- Taking charge of kitchen opening, closing and other side duties as directed by the Executive Chef
- Must be able to lift 50 pounds and stand for prolonged amounts of time

Qualifications and Skills:

- Knowledge of various cooking methods, ingredients, and procedures
- Knowledge of and ability to accommodate guests with allergies and restrictions
- Strong work ethic, and the ability to work independently when assigned tasks
- Consistency, reliability and punctuality are essential to this position
- High school diploma preferred, but not required
- Formal culinary training is encouraged

- ServSafe Food Handler or Food Manager certification is encouraged
- Prior kitchen experience is required

The Sous Chef role is currently a part-time position with hours that vary significantly from week to week. Weekends, evenings, and early mornings may all be required to fill this position.

To apply for this position, please send a resume and cover letter to Rebecca Liles at rebecca.liles@mountsequoyah.org. You can also drop off a resume and cover letter to the Mount Sequoyah Office at 150 N Skyline Drive.
