MEETING OF NOVEMBER 16, 2021

TO: Mayor and City Council

FROM: Brad Hardin, Fire Chief

DATE: October 25, 2021

SUBJECT: Approval of a resolution to purchase an Air Cascade System for Fire Department Station #1 from G & W Diesel Services/EVS through the Houston-Galveston Area Council (HGAC) Contract #EE08-19, EE19KEA Product Code Member #14-3975. The purchase amount will be \$37,821.00 utilizing Capital Improvement Funds (Project #16002.1 Firefighting Safety Equipment); And approval of a budget adjustment within the project.

RECOMMENDATION:

Approval of a resolution to purchase an Air Cascade System for Fire Department Station #1 from G & W Diesel Services/EVS through the Houston-Galveston Area Council (HGAC) Contract #EE08-19, EE19KEA Product Code Member #14-3975. The purchase amount will be \$37,821.00 utilizing Capital Improvement Funds (Project #16002.1 Firefighting Safety Equipment); And approval of a budget adjustment within the project.

BACKGROUND:

The "Air Cascade System" is necessary to refill our Self Contained Breathing Apparatus (SCBA) bottles used for breathing air when in environments that are toxic. The Air Cascade System is vital to fire department operations and the safety of our personnel.

DISCUSSION:

The current system was purchased and installed in 2005. The compressor has been requiring more maintenance in recent years and we are no longer able to obtain parts. This project is to replace the compressor and fill station.

BUDGET/STAFF IMPACT:

The purchase amount will be \$37,821.00 utilizing Capital Improvement Funds (Project #16002.1 Firefighting Safety Equipment); CIP Project, Firefighting Safety Equipment has current funding of \$150,200 in minor equipment. Approval of a budget adjustment within the project will move funds from this minor equipment account to the fixed asset account within Project #16002.1.
