**DATE:** March 9, 2022

**SUBJECT: Purchase of a Sweeper for the Parks Maintenance Department**

---

**RECOMMENDATION:**

Staff recommends approval of the purchase of a Multi-Hog with attachments is available for the Sourcewell Contract price of \$185,381.26 through J&R Equipment of Oklahoma City, and to approve a budget adjustment.

**BACKGROUND:**

Parks is maintaining the City's 48.64 miles of shared paved trails, 3.99 miles of paved parks trails and another 3.27 miles that should be completed this year. Currently the only way to care for all of these trails is a round brush attachment that is not meant to be used for long stretches.

**DISCUSSION:**

Fleet recommends approval of the purchase of a Multi-Hog with attachments is available for the Sourcewell Contract price of \$185,381.26 through J&R Equipment of Oklahoma City.

**BUDGET/STAFF IMPACT:**

This purchase was a 2022 approved expansion, however, there has been a price increase since Fleet initial inquired, we have excess funds after purchasing another unit and a BA is attached.

This item was approved at the March 8, 2022 Equipment Committee.
